Children at Chipman Youth Centre say thanks to the New Brunswick Children's Foundation for providing a \$20,000 grant for the continuation of the Respect and After School programs. In the background are Tiffany Wasson, staff; Faith Kennedy, Coordinator and Catherine Campbell, Board of Directors.

**Youth Centre Receives NB Children's Foundation Grant**

The Chipman Youth Centre Inc. has received a \$20,000 grant from the New Brunswick Children's Foundation. The funds will be used to help the Centre retain a full time co-ordinator and for the continuation of the Respect and After-school programs. CYC is thankful for their continued support.

The NB Children's Foundation's roots stretch back to the mid-1800s, first as the Saint John Protestant Orphans' Home Asylum. In 1922, the name was changed to the New Brunswick Protestant Orphans' Home. Though the name and configuration of the Home has changed over the years - its mission to support children in need has remained the focus.

In 1978, the incorporation act was changed to allow the Orphanage to award financial grants to other charitable organizations in New Brunswick that help or care for children in the province. Since that time the Foundation has awarded over \$15 million to organizations and charities who support the needs of children throughout the province.

CYC Board of Directors will have their annual fundraiser, "Memorial Tree" Lighting service. This year due to Covid 19 it will be a virtual service and will be live streamed on facebook. For a small donation of \$5 your loved ones name will be added to the program and read during the virtual service. Please call Kelly at 339-6529 to register the name. Income tax receipts will be issued for the donation.

CYC will be offering the St. John Ambulance Babysitting Course to all students age 11 & up on November 20, 2020, no school day, from 9 - 4pm. The cost is \$55.00 per student

with lunch included. Due to Covid regulations there is a limit of 15 youth. Spots will be on a first come basis. Last date to register is Nov. 13th. Phone today 339-8834 to register your future babysitter.

The St. John Ambulance course, "Home Alone" for students age 9 and up will be offered Dec. 4th from 12 noon - 4 pm. and will also be limited to 15 participants. The

cost is \$35 per student. All COVID19 regulations will be practised for both of these courses.

These courses are very important and all students of appropriate ages should be encouraged to attend!!

Just a reminder to "Respect" students and parents. This program is offered FREE of charge every Tuesday from 3:15 - 5:00 pm to youth in

grades 3 - 5. Middle School Madness is held every Wednesday from 3:15 - 5:00pm. CYC staff reminds parents that CYC takes no responsibility for students who sign out early. Thank you for your cooperation.

The CYC continues to practice and follow all COVID 19 regulations as provided by NB Dept of Health.
